Cook curricula are Biblically and educationally sound. Pupils are challenged to *learn, believe* and *live* the vital truths and teachings of the Scriptures.

Cook's devoted Christian writers uphold high standards of Biblical scholarship and evangelical belief. The great Bible doctrines of the Father, Son and Holy Spirit ... about redemption—personal salvation through Christ ... His resurrection, ascension and coming again are simply and carefully taught.

Teachers appreciate that the David C. Cook materials were carefully researched to meet their needs. The facing-page teacher's books provide step-by-step teaching programs on lefthand pages—pupils' pages with Bible study and meaningful visuals on the right ... make for more interesting teaching and increased spiritual results.
